

2020 Silent Auction

Throughout the interactive Tradeshow at IAQ & Energy attendees will find items up for bid. 100% of the proceeds from the auction are used to pay for radon mitigations in low-income Maine homes. You can take home something great, and help prevent lung cancer too.

The image indicating an item in a booth will look like this:

Silent Auction Item!

\$100 Amazon Gift Card.

Item # xxx

While visiting the trade show, take the time to identify booths with Silent Auction items, and click through to the form to place your bid. All bids must be submitted by 3:00 p.m. on Thursday, October 29. Items must be paid for before receipt. If you have the highest bid, MIAQC will contact you after the auction has ended.

Sneak peek at what's in the Auction: An ERV, a tablet computer, a carbon monoxide monitor/alarm, a radon monitor, an air cleaning device, an air purification unit for HVAC systems, cash cards, gift cards, an IAQ sensor, free passes to great events and education opportunities, more!

Happy Bidding!
